What About Reinforcement
ideas for Staff?

Ideas

- Rock star parking – a parking spot with a sign that reads “I make a difference at (agency name)”
- Massages donated by a local spa or collage
- Bottles of water with a customized label: Agency values or “I make a difference”
- A trophy passed from house to house
- Staff members could write acknowledgements for each other that are then posted on a bulletin board where all can see

Begin staff meetings with “RESPECT”

by Aretha Franklin

- Have a “whale done” box: Each time staff demonstrates a agency value they receive a “whale
- Done” slip to put in the “whale done” box. You can have monthly drawings
- Limo ride to work
- Highlight staff on bulletin board, website, or in a newsletter
- Cheers box for staff. Positive notes in a box that recognizes excellence. These cheers can be read out loud at staff meetings.
- Fill the bucket: staff works to fill a bucket with VIP chips (poker chips) collected for doing positive things. When the bucket is full they choose activities from a list: pizza party, Mexican food day, salad superb day, crazy hair day, pajamas day, talent show, go out to dinner, etc.
- Develop ;and play “Who wants to be a Respectful millionaire?” game
- Punch cards for staff
